Subject: RE: Subpoena to SK Laboratories

This will confirm that the appearance for the subpoena issued to the Custodian of Records for SK Laboratories is continued to January 7, 2013.

We would like to have the following documents produced by January 3, 2013:

1. Billing invoices for the manufacture of M-Drol, H-Drol and Inhibit;
2. Receipts for payment for the manufacture of M-Drol, H-Drol and Inhibit;
3. Certificates of analysis for the raw powders received to produce M-Drol, H-Drol and Inhibit;
4. Lab reports and/or analyses performed by SK Laboratories on the raw powders received to produce M-Drol, H-Drol and Inhibit; and
5. Any labels or identification documents received by SK Laboratories with the raw powders used to produce M-Drol, H-Drol and Inhibit.

While we understand that production of all of the documents sought in the subpoena may be time-consuming and require additional time, we would expect the items sought in these five requests to be readily available.

At your convenience, please confirm that your client will produce these documents on or before January 3, 2013.

Thank you for your anticipated cooperation in this matter.
